

Statement of opposition to media concentration

I am writing to you to comment on Docket No. 02-277, the Biennial Review of the FCC's broadcast media ownership rules. I strongly believe that the FCC should retain all of the current media ownership rules now in question. These rules serve the public interest by limiting the market power of the dominant companies in the broadcast industry.

I urge the FCC to protect the public interest by keeping the media ownership rules in question intact.

Thank you,

Dr. Jenny Thompson
